Aaron Pearson was raised in Blue Springs Mo. Aaron graduated from Blue Springs High school in 2003, and was part of his school's 2001 state championship football team. He attended Missouri State University, where he met his wife. Aaron joined the Springfield Police Department three years ago and is married with two children.

On January 26<sup>th</sup> Officer Pearson's life was changed forever. He was shot in the line of duty and suffered a career ending injury. Aaron and his family have a very difficult road ahead of them. This unfortunate event has caused both an emotional and financial strain on their family. The goal of this fundraiser is to help create a New Beginning for Officer Pearson and his family.
